Ref: 310119/PEN/TCM

Dear Ms Newton

Many congratulations to you and your team at Pencombe C of E Primary School on the fantastic news of the improvement in your KS2 results over the last year. The Rt Hon Nick Gibb MP, Minister of State for Schools, contacted me personally to ask that I also pass on his congratulations.

This is an excellent achievement and your staff and pupils should all be incredibly proud of the continued hard work and dedication which has led to this tremendous result.

In his letter to me, the Minister for School Standards was particularly keen to highlight the more demanding nature of last year's KS2 tests, and it is therefore even more impressive to have seen the improvement in your school's results.

I would especially like to commend you on not only increasing your percentage from 2017, but for achieving the outstanding result of 100%.

I am delighted to have such wonderful schools in my constituency, which are brilliant at providing Herefordshire's young people with the skills they will need in all aspects of their lives. Thank you for the hard work you and your staff put in on behalf of the next generation.

I wish you and your school every continued success for the year ahead.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Bill Wiggin'.
