

Cherry EYFS Summer Term - 2022 Into Africa

Literacy

In English, our Talk4Writing lessons will be based on the stories "Handa's Surprise" and "Monkey see monkey do". We will practice our sentence punctuation, phonic digraphs and tricky word spellings. We will recite prayers and poems. We will try to improve our handwriting. We will listen to non-fiction information books and traditional African tales.

Computing

The children will be using a wide range of programs within all areas of the curriculum on the iPads and interactive whiteboard. They will follow the "Kapow" scheme programming beebots and data handling.

EAD

We will explore pattern and colour mixing. We will create landscape scenes using layers of colour. We will dress up and act out stories, build models, dance and use a variety of different media to express our own ideas.

Physical Development

We will have Gymnastic / dance coaching on Tuesday and Games skills on Friday. During the term, children will develop cooperation and stamina ready for sports day!

Maths

This term we will continue to develop our number knowledge beyond 10 and number bonds. We will investigate time vocabulary, patterns and spatial direction using positional language and games

RE

In R.E we will learn the creation story and how to care for the world. We will find out about places of worship and think about why some places are special.

Music

We will use percussion instruments to play simple rhythms and explore how they can be used creatively. We will listen to "carnival of the animals" and create our own animal parade.

What you can do to help:

Please read several times each week and practice letter formation using letter families. Talk about plants, different countries and animal facts. Recognise numbers and use maths for counting and comparing.

UW The Natural World

In Science, we will continue to observe seasonal change, native plants and keep a weather record. We will learn about healthy eating, exercise and the human body. We will learn about different African animals and how they live.

UW Past and Present

This term we will learn about Mary Kingsley and exploring Africa. We will talk about how we have grown and changed.

UW People Culture and Communities

This term we will learn about life in an African village and compare it to Pencombe. We will celebrate Ascension Day, the Jubilee and join in all the school Summer celebrations.

PSED

We will use the "Jigsaw" PSHE scheme to explore the themes "Healthy me" and "Changing me" learning about growth and change.
