C.E. SCHOOL

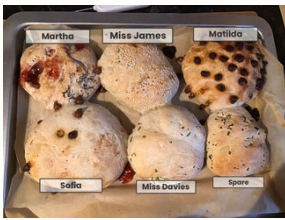

In God's hands, we love, learn, grown and inspire

Baking Bread

The children in Cherry class began to make our bread rolls in DT using different techniques such as mixing, kneading, proving and baking. The children used the weighing scales to correctly measure out each ingredient. The parents were invited in to help bake the bread - it was really appreciated and you were very much "kneaded"!!!!!!

They smelt delicious and everyone enjoyed tasting and evaluating them!

Tag Rugby Tournament

Well done to all of the children involved in the Tag Rugby Tournament at Bromyard Rugby Club.

Some wins, some draws and some losses but all with great sportsmanship and we all had lots of fun!

Super representatives of the school!

Remembrance

On Friday 10th November at 11am, the community of Pencombe came together to commemorate Remembrance Day led by Reverend Sidwell. Willow class recited the poem The Serving Soldier, Oak class narrated the poem Heroes, and Cherry class offered some prayers. The children laid crosses for the four local soldiers who fought in war.

We shared a two minute silence to commemorate all those involved and who lost their lives in war.

After this, the children congregated around the tree planted for rifleman William Aldridge, a past pupil at Pencombe CofE Primary, who sadly lost his life in Afghanistan. Pippin class laid poppies and a wreath, and a prayer was said for William.

"They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, We will remember them."

Tragedy at Sea

In Oak class, we are coming to the end of our topic "Tragedy at Sea" where the children have been learning about The Titanic. The children have absolutely loved this topic and can't stop filling the classroom full of the facts surrounding this momentous disaster....

There were many events that contributed to that fateful night, and the class documented them all in an organised information page. They then wrote what they thought was the reason so many lives were lost...what do you think?
